Stable Doors

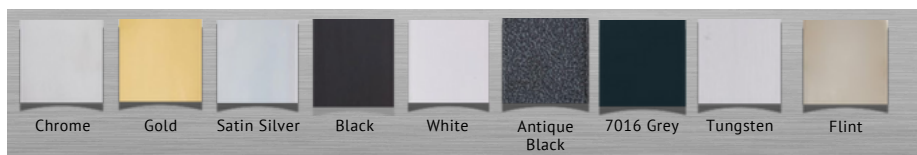

Your front door offers a first impression to callers to your home. With a Sentry PVCu residential door you can make sure it's a good one. Linar fabricators offer a wide selection of PVCu residential doors. all with the same energy efficient profile as your Sentry windows, together with high security locks and a great weather seal.

Sentry residential doors are available as a 'stable' style, with the top section of the door opening independently of the lower section. Ideal for children and pets, the stable door style suits both traditional and modern properties.

Every residential door is completely bespoke and made to order for you. Choose from a wide variety of colours and styles, glazed panels and matching sidelights. All Sentry residential doors are available with optional Part M compliant low threshold and your choice of hardware. handles. letter boxes and knockers.

For orders to be eligible for "Lifetime Security Warranty", please note these goods need to have been specified as Secure by Design at the point of sale, together with an order placed to the manufacturer by the installation company stipulating the upgraded security options, this must include all high security Yale Hardware and 3 star door lock cylinders, the manufacturer is not responsible for the sale of goods to the consumer, this is the responsibility of the installation company to specify these products, no lifetime warranty is available for goods that have not been upgraded to Secure by Design Yale products at the point of order with the manufacturers.

"Please note, the Lifetime Security Warranty and extended mechanical warranty offerings are subject to installer application and being an approved installer of the scheme. It's the consumers responsibility to ensure that all products are maintained in conjunction with the maintenance guidelines together with the terms and conditions as set out in the Homeowner Guide, copies of which are available via the QR Code within your windows and doors. The warranty does not cover breakage or failure due to misuse or neglect of maintenance of any moving parts.

Please note, Bi-Folding Windows, Bi-Folding Doors, Tilt and Turn Windows, Stable Doors and Patio Doors are currently under development with Yale, however you can retrofit face fixed sensors which will enable you to upload these into your App for a full complement of products in your home. Please note, these products only display open and closed positions in your App. Available direct from Yale via the links in your QR Codes located inside your windows and doors.
