	Notes					

Where no measurements are given 400mm will be assumed for transoms and 600mm for mullions in all windows irrespective of size.

**NOTE:** No allowance in height measurements will be made for drips. For Bay Windows, include details of bay angles and configurations on a separate sheet. For Bow Windows, please state internal or external sizes. Energy rated windows are supplied with specific glass that cannot be changed. Minimum order value applies to special foiled / coloured products. Standard white not available as a foiled product.

Please accept this order with the terms and conditions stated overleaf. I understand that the above represents final measurements of window/door units. I therefore authorise you to proceed with manufacturing in accordance with these details.
